

Sam Hamze, QEI

Manager - Inspections & Maintenance

Sam has been with GUNN since 2016. Sam graduated with a Masters degree in Electrical Systems and Networks. He spent the last decade working as a Safety Officer for a local regulatory organization providing oversight of all elevating equipment. He is a Qualified Elevator Inspector, a codes specialist, and is a member of the A17/B44 Code Inspection Committee which regulates all North American elevator codes.

Sam is Manager - Inspections & Maintenance at GUNN.
